SPARTA DOS and ARCHIVER II $ 99.95

    From the authors of the CHIP

Sparta DOS is a new command driven
DOS full compatible with all Atari
disk drives. Support all densities
-both single and double, 5-1/4 & 8
inch.
UltraSpeed I/O allows read/write 2
to 4 times faster than standard.
Comprehensive utilities include a
sector copier,RS-232 handler, and
DOS file translators
ARCHIVER II allows UltraSpeed
backup of all disks and compacting
of multiple programs on each disk.

On the right hand side is a jughandle turn and a
sign for Ridgedale Avenue, Cedar Knolls. Take
jughandle turn which brings you across Route 10.
Come south on Ridgedale Avenue for 2 traffic
lights. Just past the second light on the right
side is a shopping center where GEMINI is located.
